

CES Meeting
April 7, 2025
Program: "Managing Unfinished Projects."
Guest Speaker: Emma Powell

Emma Powell will give inspiration for finishing all those UFOs. Emma's fun, self-deprecating, and interactive lecture will change the pending status of those ongoing sewing projects. We will dive deep into why these projects are stagnant and take an honest approach for how to proceed with quilts we may have lost our enthusiasm for or would love to finish up already!
